So, how many total lots are we asking to be dedicated? 17, or 19....?

Don,

There are a total of 17 parcels along the westside of Sepulveda Bl from 80th St to 83rd St. Please see the attached APN 4108-27- and APN 4108-28- files which are copies of the County of Los Angeles Assessor's Map. The first parcel, Assessor Parcel Number (APN) 4108-27- 7 is the YMCA parcel. The parcel to the south of the YMCA's parcel is APN 4108-27-10 and it is privately owned. The next strip parcel is APN 4108-27-900 and is City owned. The Kenwood Home Guardians owns the 13 strip lots to the south of the City owned strip parcel. The last strip lot is APN 4108-28-28 and is privately owned.

APN 4108-27-10 privately owned parcel + 13 Kenwood Home Guardians strip lots + APN 4108-28-28 privately owned strip lot adds up to 15.

There are 11 strip lots along the westside of Sepulveda Bl from 83rd St to 84th Pl. Please see the attached APN 4108-29- . These strip lots are all privately owned and the strip lot areas are inside their fence and the City already owns everything outside the fence.

Vahik

John and I have been visiting with the property owners of the strip lots on the West Side of Sepulveda. Kentwood Home Guardians Board of Directors has approved the dedication of these lots to the City. The other property owners also seem 100% inclined to do so. Several of them, however, say that the strip lot area is inside their fence and that the City already owns everything outside the fence. Many of these owners have been in place for

years and years.

This is a pretty critical question. Does the City already own everything outside the fence? Do you need to do a survey to answer this?

What do you think Vahik?
